

***Bird Gathering Bio-Security Statement – Please note the  
NEW regulations that will be strictly adhered to***

**SALE OF PIGEONS AT THE SHOW 2023**

**CHECK LIST**

- You **MUST** check the Health of the birds prior transporting to the Show
  
- **THE RING NUMBERS OF ALL BIRDS BROUGHT TO THE SHOW MUST BE ENTERED ON BIO FORM C, AND GIVEN TO THE SHOW ORGANISER ON STAND BUILD UP.**  
All birds travelling from the show either back to stock or to a new location should be isolated from other birds and their health monitored for at least 7 days afterwards
  
- All baskets must be cleaned and disinfected before transporting to the shows. Only baskets containing droppings from birds transported directly to the show will be accepted
  
- It is the policy of the Show Organiser, that all pigeons for sale at the venue must be vaccinated and proof of such must be available on the stand
  
- Water must be available for all birds on display at all times
  
- Pigeons for sale must be rung with a ring from the country of origin
  
- Failure to comply with the current DEFRA General Licence conditions will result in offenders having their trade stands closed and being ejected from the show

**PLEASE ENSURE YOU RETURN ALL FORMS (BIO FORM B & C) TO BIO SECURITY OFFICER BEFORE STAND SET UP.**
